#1

Ema

(Wow, this is such an interesting room.)

Kaname

Oh, you can sit anywhere you like around there. I wasn't expecting you to come, so it's a little bit messy.

Ema

Not at all... Ah.

Ema

(I wonder if a girlfriend of his cleaned his room...)

Kaname

Hm? What's wrong?

Ema

Huh? Oh, um...

Ema

You said your room was a mess, but it's really not...

Kaname

Hm, I see. Well, I guess I did a decent job of cleaning it.

Ema

Huh? You cleaned it yourself?

Kaname

That's right... Ah, I get it now.

Kaname

You thought I brought a girl to my room to clean it, right?

Ema

Well, yeah...

Kaname

Wow, you admitted it quickly.

Kaname

Anyway, I wanted you to show me more of your jealous or cute side.

Ema

But when it comes to you, I can't help being honest about it.

Kaname

Oof, that's harsh. And just so you know, this is the first time that I've ever had a girl in my room.

Ema

That's obviously a lie.

Kaname

Oh, it's not a lie. No matter how close I am to a girl, I have my reservations about allowing them into my room.

Ema

Really...?

Kaname

My room is a place filled with my personal interests and tastes. It's a private space, right?

Kaname

I'd find it a bit hard to show someone that kind of place. Is that not the case with you, Little Sis?

Ema

I think I understand what you mean. It's because you don't trust them enough.

Ema

(Then does that mean that I...)

Kaname

And...

Kaname

You're family. So I might unconsciously show my true self to you too. That's why I'm wondering if it's okay.

Kaname

In a way, we could say you're special.

Ema

(...I'm family but also special. It's kind of embarrassing to hear him say that.)

Ema

(But...it also makes me happy.)

Kaname

Do you believe me?

Ema

Yes.

Kaname

Thank goodness.

Ema

Oh? Kaname-san, what's this box?

Ema

(It's kind of flashy...)

Kaname

...Ah, that. I hate it when it's all messy.

Ema

...?

Kaname

You can open it.

Ema

Are you sure?

Kaname

Yeah, but you may regret it later.

Ema

...!? On second thought, I'll pass.

Kaname

Haha!

Ema

(It belongs to Kaname-san, so it's bound to be something bad anyway...!)

Kaname

Even if you did decide to open it, it'd enjoyable for me, you know? If you wanted to, we could have used it.

Ema

I don't really understand...but please be sure to put away anything that's dangerous.

Ema

(And so, our conversation continued until late into the night...)

#2

Ema

Hope you don't mind me intruding.

Kaname

Sure, come on in.

Ema

...Ah.

Kaname

What? Something wrong?

Ema

Kaname-san, do you play guitar?

Kaname

Yeah, but I've decided not to play it anymore.

Ema

Huh? Then this guitar here...

Kaname

It's for decoration.

Ema

Wh-what?!

Kaname

You see, not to toot my own horn, but I can play most musical instruments. Brass, keyboard, you name it.

Kaname

But while practicing the guitar in high school, I broke a nail, and it hurt a lot.

Kaname

Since then, I've stopped playing. And to honor my defeat, I leave it out on display.

Ema

(That's kind of an eccentric thing to do, Kaname-san...)

Ema

Speaking of, why did you practice playing the guitar? Did you ever play in a band?

Kaname

Once, during a cultural festival. But since I injured myself during practice, I had to sing instead.

Ema

You were a vocalist? I'd love to hear it!

Kaname

Huh? Right now?

Ema

Yes!

Kaname

What? No way.

Ema

Huh? Why not?

Kaname

Well, I'll think about it if you give me a kiss.

Ema

Not happening.

Kaname

That was quick!

Ema

(And so, our conversation continued until late into the night...)

#3

Ema

Sorry to intrude...

Kaname

Why are you so nervous? It's not like I'll take advantage of you, so it's okay.

Ema

I know... Ah!

Kaname

What? Something wrong?

Ema

There's a snowboard hanging over there. Do you snowboard?

Kaname

Oh, yeah. I like snowboarding a lot and do it often during the season.

Kaname

I'd go with friends, but if we're talking about family, I'd often go with Tsuba-chan too.

Ema

I see. I've never been snowboarding before.

Kaname

Oh, really? Going down the slopes is fun.

Ema

I'm interested in it, but never really had the chance...

Kaname

Then how about we go together next time? I'll teach you how it's done.

Ema

Really!?

Kaname

Of course, just us two. We can stay at least one night.

Ema

We should invite everyone. It'll be fun with a lot of people.

Kaname

What!? That means that you'll be with other guys.

Ema

sigh

Ema

(And so, our conversation continued until late into the night...)

#4

Kaname

At any rate, having you say that you want to meet up with me and coming all the way to my room makes me really happy.

Kaname

I wonder if that means you trust me more? Hey, even better, maybe you could entrust your body to me now?

Ema

...

Kaname

Whoa, if looks could kill...

Ema

I don't really appreciate jokes like that, Kaname-san.

Kaname

I never joke when I romance someone.

Ema

That's even worse... Don't you ever think about what you say?

Kaname

Oh? Did you not like that? I was thinking of whether or not I should be blunter.

Ema

(Just how serious is he...?)

Kaname

Then how about this...?

Kaname

Hey, stay the night today... You can sleep next to me.

Ema

What...!?

Ema

...!

Ema

(Kaname-san pulled me onto the bed.)

Kaname

You don't have that cold stare anymore. Are you the type of girl who likes a little force?

Ema

...!

Ema

N-no. Th-this time, I was just...surprised.

Kaname

Oh? Hey, let's sleep together like this then. Or would you rather not with me?

Ema

N-no, that's not it, but...

Kaname

But?

Ema

Do you always sleep with women like this?

Kaname

Hm?

Ema

Earlier you asked if I was the type of girl that liked this kind of treatment.

Ema

So does that mean that have you said this to someone else before?

Kaname

...

Ema

Do you think I'm the same as the women you get along with?

Ema

Please don't lump me together with just any other girl... I'm me and no one else.

Kaname

Little Sis, are you jealous?

Ema

Wha...!!

Kaname

I apologize if I offended you.

Kaname

But I'm glad that I made you jealous. Your sulking face is adorable.

Ema

I-I'm not sulking!

Kaname

There you go again. Come to think of it, there hasn't recently been any other girl cuter than you.

Ema

What?

Kaname

I wonder why?

Ema

What? Are you teasing me again?

Kaname

Although you're sulking after telling me not to lump you in with other girls...won't you believe me if I tell you that I really think you're the one and only?

Kaname

You're quite the handful. Trust me, you're adorable.

Ema

(Once Kaname-san sighs in my ear, I feel my heart skip a beat...)

Kaname

Haha. You're adorable when you're embarrassed too. But I'll make sure to leave you alone so I don't get you even madder at me.

Kaname

Hey. Good night.

Ema

...Good night.

Ema

(Although I closed my eyes, I felt something hot in my ear and wasn't able to sleep very easily...)

#5

Kaname

By the way, I'm assuming that you intend to stay in my room tonight at a time like this? After all, you did come all this way.

Ema

What...!?

Kaname

Don't worry, I won't do anything.

Ema

...

Kaname

Whoa, your eyes tell me that you're 100% positive that I'm lying.

Ema

Sorry. My eyes tend to give me away.

Kaname

Well, that confirms it. Hey...so you really don't trust me, do you?

Ema

Well...

Kaname

sigh Okay, I get it. I promise I won't touch you today. So just come over here.

Ema

...

Kaname

...

Ema

Um...

Kaname

Hm?

Ema

I feel like you've been watching me for a while now...

Kaname

That's right. I've kept my eyes on you.

Ema

Why...?

Kaname

You don't like it?

Ema

No, but it kind of...

Ema

(Makes me nervous... Plus, it's embarrassing.)

Kaname

Oh, are you embarrassed? Good. I want to fluster you even more.

Ema

Huh?

Kaname

I promised you that I wouldn't lay a finger on you. However, I get to watch you instead.

Ema

Instead? But why...?

Kaname

The eyes speak for themselves. Didn't you say so earlier?

Kaname

I can't express how badly I want to touch you right now. I want nothing more than our bodies and minds to merge.

Kaname

But I have to endure it... So instead, I watch you while I'm thinking those thoughts.

Ema

Y-you were thinking about things like that!?

Kaname

Oh? I didn't get that across? That's strange. Then, back to square one.

Kaname

I couldn't possibly say it. It's too embarrassing. Because I imagine you giving all of yourself to me in this act.

Ema

E-enough!

Kaname

I can't control my imagination, Little Sis.

Ema

That's your delusion, not your imagination!

Kaname

That's a good way to put it.

Ema

Don't be so happy! I wasn't praising you!

Ema

I'm going to sleep already!

Kaname

Uh-oh, it's foul play to sleep here, Little Sis.

Ema

Good night!

Kaname

Are you really going to sleep? All right then. I'll just watch you until I'm satisfied.

Kaname

Good night.

Ema

...

Ema

(Even when I close my eyes, I can still tell that he is staring at me...)

Ema

(And because of that, I wasn't able to sleep for a while...)

#6

Ema

Um... Is it okay for me to come to your room?

Kaname

Why's that?

Ema

You work tomorrow. Shouldn't you go to bed earlier?

Kaname

I said it earlier, but I'm glad you're here. You're the one who makes me feel so great.

Ema

I do...?

Kaname

Like so.

Ema

...! K-Kaname-san!

Ema

(Wh-why is he hugging me...!?)

Kaname

So soft... now this is soothing.

Ema

U-um...

Kaname

I'd like to stay like this for a bit if you don't mind.

Ema

...

Ema

(Should I part from him...? I'm worried for my own sake...)

Ema

(But he's really warm... And I feel a little relaxed.)

Kaname

Hey, Little Sis. I want to get closer so we can each share some of our good spirits, okay?

Ema

Huh?

Ema

Ahhh!!

Ema

(H-he pushed me down...!)

Ema

K-Kaname-san... What's with this position...?

Kaname

Isn't it great? Now I can see your cute face.

Ema

(I-I knew it! This is dangerous!)

Kaname

But we might as well get closer, right? How about it?

Ema

N-no!

Kaname

Aw, don't say that.

Kaname

Look, we intertwine our legs like this. And keep our chests close together.

Ema

...!?

Kaname

And then I hug you real tight, see? Now we can be even closer than before.

Ema

(Wh-whoa! Wh-what do I do...?)

Ema

(I can't deny that it's warm... And my face is really hot... Not to mention that my heart is also beating really fast...)

Kaname

Hmm...

Kaname

In a position like this, I feel more aroused than soothed right about now.

Ema

Wha... P-please let go of me! Now!

Kaname

No way. I'm really enjoying the softness of your body. I can't let go!

Kaname

Let's just sleep like this for today, okay?

Ema

Do you promise to not do anything else?

Kaname

What!? That I can't promise.

Ema

Then...!

Kaname

Okay. I get it. Jeez, talk about the cold shoulder.

Kaname

Then I'll behave tonight. Good night, Little Sis.

Ema

Good night... Kaname-san.

Ema

(That's what he said, but...I don't know if I can sleep like this... My heart is still beating so fast...)

#7

Ema

Oh, Kaname-san. I got some sweets from the fifth floor. Would you like to have some?

Kaname

Hm? Oh, thank you.

Ema

Do you mind if I use the kitchen? I'll make tea.

Kaname

Go ahead.

Ema

(...?)

Ema

Um, Kaname-san? Is there something wrong? You seem down.

Kaname

Hm? What makes you say that?

Ema

Huh? Well, somehow, your reactions seem a bit dull.

Kaname

...

Ema

Was it just my imagination?

Kaname

No, you're right...

Ema

Did something happen? I don't mind listening if you want to talk.

Kaname

Ah, right.

Kaname

This isn't common but...

Kaname

During the Buddhist memorial service, I was affected by the bereaved family's mourning.

Ema

Affected by their...mourning?

Kaname

Originally, a monk was someone who suffered and existed in order to save those who are suffering.

Kaname

But if I empathize with a bereaved family, not only can I not save the people who rely on me, but the soul of the deceased becomes lost too.

Kaname

So officially, in order to fulfill my role as a monk, I need to relieve the soul of its burdens. But sometimes...

Kaname

After the memorial service, I keep remembering the family's suffering. I can't just erase it from my mind either.

Kaname

It's one of those times where it takes a while for reality to hit me again... Haha.

Ema

Kaname-san...

Kaname

But how did you know? That I was feeling a little off.

Kaname

Not even one of my brothers would've pointed it out.

Ema

I knew because...

Ema

...I'm always watching you.

Kaname

Huh...?

Ema

(...Wh-whoa. I just said something over the top...)

Kaname

You're always watching me?

Ema

U-um, well...

Kaname

Haha, I'm glad.

Kaname

Then, sorry... Just let me dote on you for a bit.

Ema

Huh?

Ema

(Kaname-san's arms are reaching towards me.)

Kaname

Is it okay if I hug you like this?

Ema

It's okay.

Kaname

Good.

Ema

(He may be an adult but...right now, he's kind of like a little kid.)

Ema

Um, Kaname-san.

Kaname

Hm...?

Ema

I don't understand monks very well, but...I think I'd want a person with a kind heart, who suffers, worries, and mourns with me to help me.

Ema

And you're a kind person, Kaname-san...

Kaname

Hey, Ema.

Ema

(Huh? Just now...)

Kaname

You shouldn't speak that way to a vulnerable man... Otherwise, I'll give in easily.

Ema

Give in...?

Kaname

Yes. And I'll want to do this...

Ema

...!

Ema

(He just touched my lips...)

Kaname

You're good at spoiling people. I didn't think you'd make me show the undignified side of myself and draw me in like this.

Ema

That's not...

Kaname

It's okay. Allow me to think of it like this at least.

Kaname

Hey, I know I said it'd only be for a little while, but can we just sleep like this tonight...? I want to sleep with you in my arms.

Ema

...Sure.

Kaname

Thanks...

Ema

(Hopefully he'll be able to sleep... Good night, Kaname-san.)

#8

Kaname

By the way, Little Sister, I'm pretty sure I asked if we could sleep together a little while ago.

Ema

Right.

Kaname

There's only one bed set in my room. In other words, there's only one bed here... Do you understand what that means?

Ema

...

Ema

(Wh-what should I do?)

Kaname

Or will you go back to your own room?

Ema

No, we can stay together...

Kaname

Wow, that's gutsy of you. Well, I would've made sure you stayed even if you said you wanted to leave. Now, come over here.

Ema

...Okay.

Ema

(Now I can't sleep at all...)

Kaname

What's wrong?

Ema

S-sorry. I can't really sleep...

Kaname

Are you okay? Are you uncomfortable?

Ema

No, that's not it...

Ema

(My heart's beating really fast... I can't look him in the eyes...)

Kaname

...That face of yours is foul play.

Ema

Huh?

Kaname

You really shouldn't make a face like that...because I won't be able to hold back at all.

Kaname

Hm? Ah, but I think it's fine if I don't hold back. Besides, it was you who said we could sleep together.

Kaname

It'd be bad of me not to make a move.

Ema

...!? Kaname-sa...Nnn...!

Kaname

Nnn...

Ema

...You can't, Kaname-san! We're...!

Kaname

Family? Siblings? What exactly?

Ema

Well...

Kaname

Don't hope for any sense of morality from me, no matter what our relationship is...

Kaname

If I want you, I'll take you.

Ema

...!

Kaname

I hate to admit it, but I'm a naughty older brother.

Ema

I'd say it's more immoral of you to do these sorts of things when you're a monk.

Kaname

It must mean that you're still quite composed if you're able to respond to that...but that won't last long.

Ema

(His hand moves from my cheek to my arms...then my waist. It feels warm and pleasant, but...)

Ema

(Maybe, just maybe, it won't end here tonight...)

Kaname

I want to make you into a naughty little sister. One who screams loudly that she wants me.

Kaname

You've become quiet all of a sudden. What's wrong?

Ema

N-nothing... I'm fine.

Ema

(He says something so bold and lets me into his room... I can't just say how embarrassed I am now...)

Kaname

Really? Then let's get into bed and talk a bit. Come over here.

Ema

O-okay...

Kaname

Now... What sort of sermon would be good?

Ema

Huh? A sermon?

Kaname

I usually take a sort of reservation fee or offerings, but I wouldn't take that from my cute little sister.

Kaname

So I'll take a kiss instead.

Ema

Um, sorry. I'm not understanding at all what you mean.

Kaname

Hm? What don't you understand?

Ema

Sermons and reservation fees and offerings and so on... And then the kiss...

Kaname

Oh? You don't want to listen to a sermon?

Kaname

In our temple we provide "Dharma talks."

Kaname

Although I do take reservation fees and donations, I'm offering you a bedside sermon all night long instead.

Ema

Wait, what is that...? That's more like a host, not a monk. No, I don't even think a host would do that.

Kaname

No way. I'm a monk, not a host. My work is to relieve the souls of troubled women.

Kaname

I'd need to give a woman who selected my services the best night of her life, right? So I'll let you talk your whole heart out to me.

Ema

(I feel like it won't end at just talking...)

Ema

Anyway, I didn't come to hear a sermon.

Kaname

Really...? Hmm...

Kaname

Oh? Then did you really just want to sleep with me?

Ema

Y-yeah... But you make it sound weird when you say it like that...

Kaname

I see, so you just wanted to sleep with me...

Ema

Kaname-san, did you not hear me at all?

Kaname

I heard you. And I already can't think of it in any other way.

Ema

Yeah, I'd rather you not. I just want to sleep together normally.

Kaname

I want to meet your expectations. Just trust me with this, okay?

Ema

Wh-what are you talking about?

Kaname

Let me serve you sincerely. Don't worry, I wouldn't do anything that would hurt you.

Ema

Ahh!? K-Kaname-san... Don't you think you're a bit too close!?

Ema

(He's hugging me way too closely...!)

Kaname

What are you on about? I won't let you sleep tonight.

Kaname

One kiss won't be enough...

Ema

(As Kaname-san's face approaches with a smile, he gives me a kiss on my forehead. After that, he hugs me tightly...)

Ema

(Maybe I should've just listened to his sermon...)

#Mid-Night Dialogue

Ema

Nn...

Ema

(I woke up... It seems Kaname-san is fast asleep...)

Ema

(I've never seen him sleeping, but he looks pretty handsome in his sleep. He's got long eyelashes for a guy. It's not fair...)

Ema

(His hair color is beautiful too...I can see why he's popular with women...)

Ema

(That surprised me. Is he sleep talking...?)

Kaname

...Little Sis? You're awake?

Ema

Kaname-san...! Sorry, I just now woke up...

Ema

(I woke him up...)

Kaname

You can't sleep?

>No, I'm fine.

Ema

Sorry, I just woke up for a bit. I'll go back to sleep now.

Ema

(Good night...)

>I can't... (1)

Ema

I can't...

Kaname

...If you're not sleepy...

Kaname

Shall we do something that will make you sleepy?

Ema

Eh...!?

Kaname

If you're feeling really good and tired, you'll fall asleep in no time, you know? So, how about it?

Ema

Wh-what's that supposed to mean?

Kaname

Don't you understand? I intend to take you to a world you've never experienced before.

Ema

Uh, I'll have to pass on that offer.

Kaname

Whaaat? I didn't even say anything yet. You're being as cold as ever.

>I can't... (2)

Ema

I can't...

Kaname

...If you're not sleepy...

Kaname

Shall we do something that will make you sleepy?

Ema

Eh...!?

Kaname

Hehe, what were you thinking? I was only thinking of letting you use my arm as a pillow. Now, don't worry, and just come over here.

Kaname

See? Now you won't be cold.

Ema

(Ah, I'm now too nervous to sleep like this...)

Ema

(But...somehow I'm glad...)

Ema

(Good night...)
